GAGARINN HOTEL

Your favorite hotel for business and leisure

gagarinn.com

Location

All guests of Odessa know about the heart of the city – Arcadia! Just 50m from central entrance of the beach complex “Arcadia” – hotel “Gagarinn” is located.

The hotel has a convenient location to any place of the city. Just 10–15 minutes by car and you are in downtown, where you can see: the famous Deribasivska Street, Odessa Opera and Ballet House, Duke de Richelieu and Primorskiy boulevard.

Also, “Gagarinn” has a direct connection with the airport, bus station and the railway station.

History

In 2012 appeared the idea of opening unique in its kind and the largest hotel near the sea in Odessa.

And already on May 18, 2014, "Gagarinn" hotel opened its doors to visitors from the whole world.

Most visitors believe that the hotel was named in the honor of famous cosmonaut Yuri Gagarin, but that is not true. Hotel's name is strongly connected with history of South Palmyra. In the past on the spot of hotel was located the estate of princes Gagarins. Due to their surname the hotel has its name.

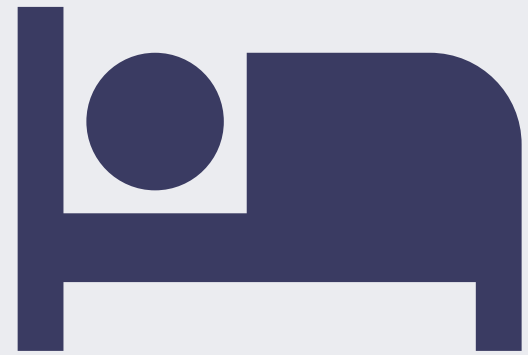

Hotel guests

From the first days of opening, Gagarinn hotel became to win the first positions on a hotel market of the city and the country.

The hotel hosted many foreign and Ukrainian guests, including the sixth president of Ukraine Volodymyr Zelenskyi, mayors and prime ministers of Ukraine, foreign representatives of diplomatic missions. And also a large number of show business stars: singer Tina Karol, Jamala, the group "Time and Glass", Potap and Nastya Kamenskikh, folk favorites of Ukraine studio "Kvartal 95", "League of Laughter" and many others.

Services and benefits of the hotel

248 rooms of different categories:

"Standard", "Superior", "Studio", "Suite" and "Family suite" which are all equipped with everything necessary for comfortable living.

Free 24 hour parking for all the residents of the hotel.

Amusement Park "Kids Planet"

Little Odessans know where they are
awaited and very much loved!

Amusement park "Kids Planet" is a place
where children dreams come true.

Here you will find a restaurant and
rooms to celebrate birthdays,
trampolines with an area of 800 m²,
labyrinths, trampoline, place to climb
and a pool with balls.

Kids City

Kids City

Children's city of professions "Kids City" is an interactive game center for children. A reduced version of an adult world will allow children to get to know more than 90 different professions, while playing and learn how to earn money and spend at your discretion. This will open a lot of talents, abilities and child's preferences in the professional orientation.

Casino “First Casino”

On the 8th floor of the hotel or through the shopping center you can get to the first and the biggest official casino of Ukraine – "First Casino".

The total area is 5000 m2. Casino guests will be surprised by a huge number of games and entertainment for different tastes:

- ▶ 9 roulette tables;
- ▶ 40 card and poker tables;
- ▶ 300 slot machines;
- ▶ comfortable private rooms;
- ▶ 3 bars;
- ▶ European cuisine restaurant.

"First Casino" works 24 hour.

 **First**
casino

Media facade

One of the main advantages of the hotel is the presence of one of the largest in Ukraine's media facade, which opens additional advertising opportunities for corporations. As advertising placement on media facades is an outreach of a large audience for a quite short period of time.
